A screenshot of the GitHub website's sign-up page. The page has a dark blue background with white text. At the top, there's a navigation bar with the GitHub logo, links for 'Why GitHub?', 'Enterprise', 'Explore', 'Marketplace', and 'Pricing', a search bar, and 'Sign in' and 'Sign up' buttons. The main content area features the heading 'Built for developers' and a paragraph describing GitHub as a development platform. On the right, there's a white sign-up form with fields for 'Username', 'Email', and 'Password'. Below the password field, there's a note about password requirements. A green 'Sign up for GitHub' button is at the bottom of the form. At the very bottom, there's a small disclaimer about agreeing to terms of service and privacy statement.
